Art Unit: 3634

## Supplemental Action

The purpose of this Supplemental Notice of Allowability is to clarify the record of claims filed. On May 26<sup>th</sup>, 2005 an amendment was filed presenting new claims 18-20. On December 4<sup>th</sup>, 2006 an amendment was filed presenting amended claims 21, 22 and 25 and canceling claims 23 and 24. However, despite the misleading "amended" claim heading, this was in fact the first official presentation of claims 21, 22 and 25. As claims 23 and 24 were never officially presented to the Office before being filed as already "cancelled", claim 25 should have been listed as claim 23. A copy of the last page of claims filed on December 4<sup>th</sup>, 2006 is attached to clarify this.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Colleen M. Quinn whose telephone number is (571) 272-6289. The examiner can normally be reached on 8:30AM-5:00PM Monday - Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Peter Cuomo can be reached on (571) 272-6856. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should
